   Commissioner Bergman announced that the next Outreach Committee
   meeting would be held Thursday, May 20th at 11:30am at Eloté. The
   Committee will continue discussions on a trolley tour for local realtors, plans
   for this year’s Open House, and updating the Outreach Communication Plan.

4. Chair Report
   A. Recap of PLANiTULSA Change/Stability Mapping and Utica Corridor issue
      Chairman Sober reported that the Commission’s request to include all
      residential properties within National Register-listed districts in the
      PLANiTULSA Areas of Stability was successful. The Tulsa Metropolitan Area
      Planning Commission (TMAPC) discussed and approved the request at its
      most recent meeting regarding the PLANiTULSA Comprehensive Plan update.
      The TMAPC is compiling all adjustments and corrections to the plan, which will
      be distributed in mid-May. A public hearing on the updated draft of the plan
      will take place in June.
In addition, Chairman Sober reported that he and Vice-Chair King would meet with Staff later in the day to review the process of how a neighborhood requests and receives Historic Preservation Overlay Zoning. The last neighborhood to go through the process did so 11 years ago, so a refresher on how the process works is in order. The Historic Preservation Committee, chaired by Commissioner King, would coordinate the Commission’s review of the neighborhood’s request.

Chairman Sober also mentioned that the Commission could take a proactive role in PLANiTULSA by requesting a small area plan for the Riverview neighborhood. The neighborhood is a mix of Areas of Stability and Growth, with four National Register-listed districts within the neighborhood association area. Chairman Sober believes TPC Staff, Ms. DeCort and Mr. Sharrer, would be ideal lead planners on a Riverview Small Area Plan and plans to make that recommendation to City officials.

5. Staff Report
   A. Placing Conditions on COA Applications
      Mr. Boulden circulated a memorandum explaining the conditions under which the Commission could attach conditions to a COA application. He summarized the memo by saying that the COA applicant proposes the work according to the ordinance. If the applicant agrees to modify their proposal, then the modification may be recorded as a condition. If the applicant does not want to modify their proposal, the Commission should deny the application if the proposed work is considered inappropriate (rather than forcing through the modification by approving the application with conditions).

      Mr. Boulden also introduced Mark Swiney to the Commission. Mr. Swiney has served in the City Attorney’s Office for 25 years and will be working with the Commission from time-to-time in the future should Mr. Boulden be unavailable.

      In addition, Ms. DeCort reported that the program may be getting an intern for the Fall semester. She will meet next week with the interested student.

6. Absence Report
   A. No unexcused absences to report.

   B. Discussion of Number of Excused Absences / Twice-Monthly Meetings
      The Commission discussed the impact of holding twice-monthly meetings pertaining to the number of excused absences allowed per calendar year. The Rules & Regulations allow members up to four absences from regular and special meetings per calendar year. After discussion, the Commission decided not to change the Rules & Regulations at this time to see how the twice-monthly schedule works.
7. **Other Business**  
   No other business.

8. **New Business**  
   No new business.

9. **Adjournment**  
   Chairman Sober adjourned the meeting at 11:55 a.m.

The proceedings of the Tulsa Preservation Commission Regular Meeting of May 13, 2010 were recorded. The meeting minutes were transcribed by Ed Sharrer. Minutes approved by the TPC on June 10, 2010.
