B. **Rules and Regulations Committee**
Commissioner Townsend reported that at the last Rules & Regulations Committee meeting, the discussion centered on demolitions and commercial encroachment into historic districts. She stated that the Rules & Regulations Committee decided the matter was more appropriate to the Implementation Committee since it dealt with Ordinance matters.

C. **Outreach Committee**
Commissioner Bergman reported that at its last meeting, the Outreach Committee decided to narrow its focus to neighborhood outreach and realtor education. She announced that the next Outreach Committee meeting would be held Thursday, August 19th at 11:30am at Eloté. She further stated that the Outreach Committee would begin showing an HP Zoning presentation to the various neighborhood associations to clear up any misconceptions of the zoning overlay. Mr. Sharrer then took the Commission through the 10-minute presentation.

Commissioners complimented the presentation. Commissioner Wright suggested adding a bigger, citywide map to give a clearer perspective of where the historic districts are and what a small percentage of Tulsa they are. She also suggested more photos of bad infill. Commissioner Pollard suggested that Tulsa examples should not be used, so that no one in the audience is alienated. Mr. Sharrer added that the presentations could also be tailored to the specific audience.

Commissioner Smallwood requested that staff add a slide to make it very clear that the neighborhoods themselves crafted and approved the guidelines.

Commissioner McKee suggested that staff continue to raise awareness that not all historic homes are large and upscale.

D. **Implementation Committee**
Commissioner Smallwood announced that the Implementation Committee would resume meeting in September. She then noted that the Commission has a great opportunity to have a workshop with someone from the National Alliance of Preservation Commissions.

Ms. DeCort said that Monica Callahan, who spoke on effective design review at this year’s Oklahoma Statewide Preservation Conference, would come to Tulsa and engage the Commission a Saturday workshop tailored to our needs. The Commissioners discussed dates and settled on September 18, 2010. Chairman Sober stated that he was looking forward to the session and noted that Ms. Callahan gave a great presentation on design guidelines at the Statewide Conference.
Ms. DeCort encouraged Commissioners to email her with topics they would like to see addressed. Commissioners Bergman and Townsend requested that parliamentary procedure be added to the list. Commissioner Wright suggested that zoning and the new comprehensive plan should be discussed. Chairman Sober suggested that Ms. DeCort set up a meeting with PLANiTULSA staff, Martha Schultz and Theron Warlick, to discuss how the historic preservation ordinance would fit with the new comprehensive plan and upcoming zoning code overhaul.

E. Enforcement Committee

4. Chair Report

Chairman Sober reported a concern brought to his attention by Commissioner Wright about how HP Zoning would fit within the context of the recently adopted PLANiTULSA plan. He asked staff to coordinate a meeting with PLANiTULSA staff.

Commissioner Wright made a motion to excuse the absence of Commissioner Wood from the July 27th meeting. Commissioner McKee seconded the motion. Chairman Sober asked for a vote on the motion.
